

Amit Verma

Email: candidate.amit@mca-university.edu | Phone: +91-9876543210 | Bangalore, India

PROFESSIONAL SUMMARY

Machine Learning Developer with 3.0 years of experience designing NLP and data pipelines.

TECHNICAL SKILLS

Languages & Frameworks: Python, PyTorch, scikit-learn, SQL, PostgreSQL, FastAPI, Git

AI & ML Domains: Machine Learning, Natural Language Processing, TF-IDF, Vector Embeddings

PROFESSIONAL EXPERIENCE

ML Engineer at DataTech Solutions (2021 - Present)

- Built NLP search systems and semantic embeddings in Python and PyTorch.
- Implemented relational database queries and ETL data pipelines using SQL.

EDUCATION

Master of Computer Applications (MCA) - VTU Karnataka (2021 - 2024)
